

We are thrilled to announce an exciting internship opportunity within the Community Relations and Networking department at the NPJ Sports Complex, and we extend an invitation for students to apply. As a prominent sports complex dedicated to building athletes and fostering community engagement, we believe that this internship will provide students with a unique experience in creating, maintaining, and growing sponsorships and partnerships in the dynamic world of sports and events.

Internship Focus Areas: **Community Relations and Networking - Sponsorships and Partnerships**

1. Sponsorship and Partnership Development:

Interns at the NPJ SC will have the opportunity to actively contribute to the creation, maintenance, and growth of sponsorships and partnerships. This includes researching potential sponsors, preparing sponsorship proposals, and cultivating relationships with existing partners. Students will gain practical experience in developing creative strategies to attract sponsors, negotiating agreements, and maximizing the benefits for both parties.

2. Community Engagement Initiatives:

Our sports complex is deeply committed to community engagement, and interns will play a key role in organizing and participating in community events, outreach programs, and promotional activities. This includes working closely with local businesses, schools, and organizations to strengthen our ties within the community and enhance the overall experience for our patrons.

3. Networking Opportunities:

Interns will be immersed in a dynamic networking environment, interacting with sponsors, partners, and various stakeholders within the sports and events industry. They will have the chance to attend meetings, conferences, and events to build professional relationships and expand their network in the field of community relations and sports management.

Why the NPJ SC is the Ideal Host:

Industry Exposure: The NPJ SC is a recognized name in the sports and events industry, providing interns with unparalleled exposure to the workings of a successful sports complex.

Hands-On Experience: Interns will gain hands-on experience in the development and execution of sponsorship and partnership strategies, preparing them for future roles in sports management and community relations.

Community-Centric Focus: Our sports complex is deeply rooted in community values, offering interns the chance to contribute to meaningful community engagement initiatives and make a positive impact.

Networking Opportunities: Interns will have the chance to build connections with professionals in the sports and events industry, creating valuable networking opportunities for their future careers.

We encourage students who are passionate about community relations, networking, and sports management to apply for this internship opportunity. We believe that this experience will not only provide valuable skills but also offer an enriching and rewarding professional development journey.

*Unpaid 8-10 hours / week or as needed defined by your internship program.
